

The world is full of opportunity. Have you found yours yet?

EYP is nothing like the same old classes your parents took.

But it is the one they wish they had taken!

We define a new set of rules for success in today's global workforce.

We don't believe in doing what you 'should' do.

We believe in doing what you love, and being the best at it.

We believe true success is happiness within yourself and your career.

We help you get clear on who you are, what you want, and what you're good at.

So you can create a career that inspires you, a job that you want to go to,
and a life that you actually love.

This is what Exploring Your Potential is all about...

You learning how to make the world your own personal oyster of opportunity.

EYP offers practical advice for lasting success in the real world. Learn directly from the best with over 30 of the world's top business leaders and academic experts.

Among many other things, EYP teaches you how to:

- Gain confidence and clarity on your career goals
- Know your value in the marketplace
- Earn, manage, and raise money
- Pitch ideas
- Negotiate a salary
- Create opportunities everywhere you go
- Get funding
- Know what employers or clients want
- Leverage your strengths
- Be the leader that you are.

You say you want success.

Then, it's time to take action and go get what you want. Otherwise, they are just words.

Take the first step by registering for EYP today.

A world full of opportunities awaits you.
